New Building and Campus

New building and Campus of NIPICT is about 7 kilometers north from center of Phnom Penh on national road 6A.

Classroom

The class rooms are equipped with the latest teaching aids including overhead projectors.

Lectures shall be conducted by qualified faculties separately for each module.

The faculty shall utilize automatic slide-shows and LCD projectors hereby enhancing the effectiveness of the lectures.

Computer Lab

The labs are the main area of focus as it provides practical application training to the students.

Well-qualified labs instructors shall be present in the labs at all times.

The labs are equipped with the latest hardware & software configurations.
